FALL

The Country Creates Its Own Art.

"Rascals Become Tigers"

Freshmen initiation was the best job the Seniors have done in the last four years. The Rascals had to wear Diapers, Bibs, & Bonnets for a full day, and then they all skipped around the gym sucking their thumbs as the Seniors sang them a song. Dean Swope had the privelage of Babetising them with potty chair water, so now they are no longer Rascals. "What else but T.H. Tigers".

Football

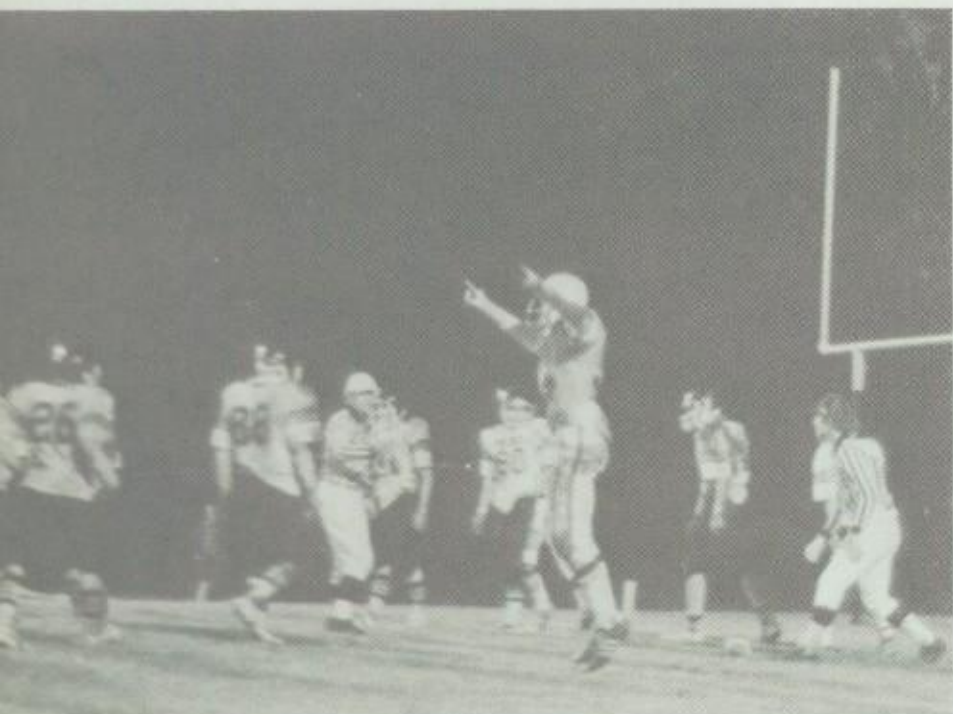

*The art of power
in motion.*

This year's varsity and junior varsity football teams have made a giant step in our football program in a very tough league.

We have established the fact that we are now a competitive team in this league.

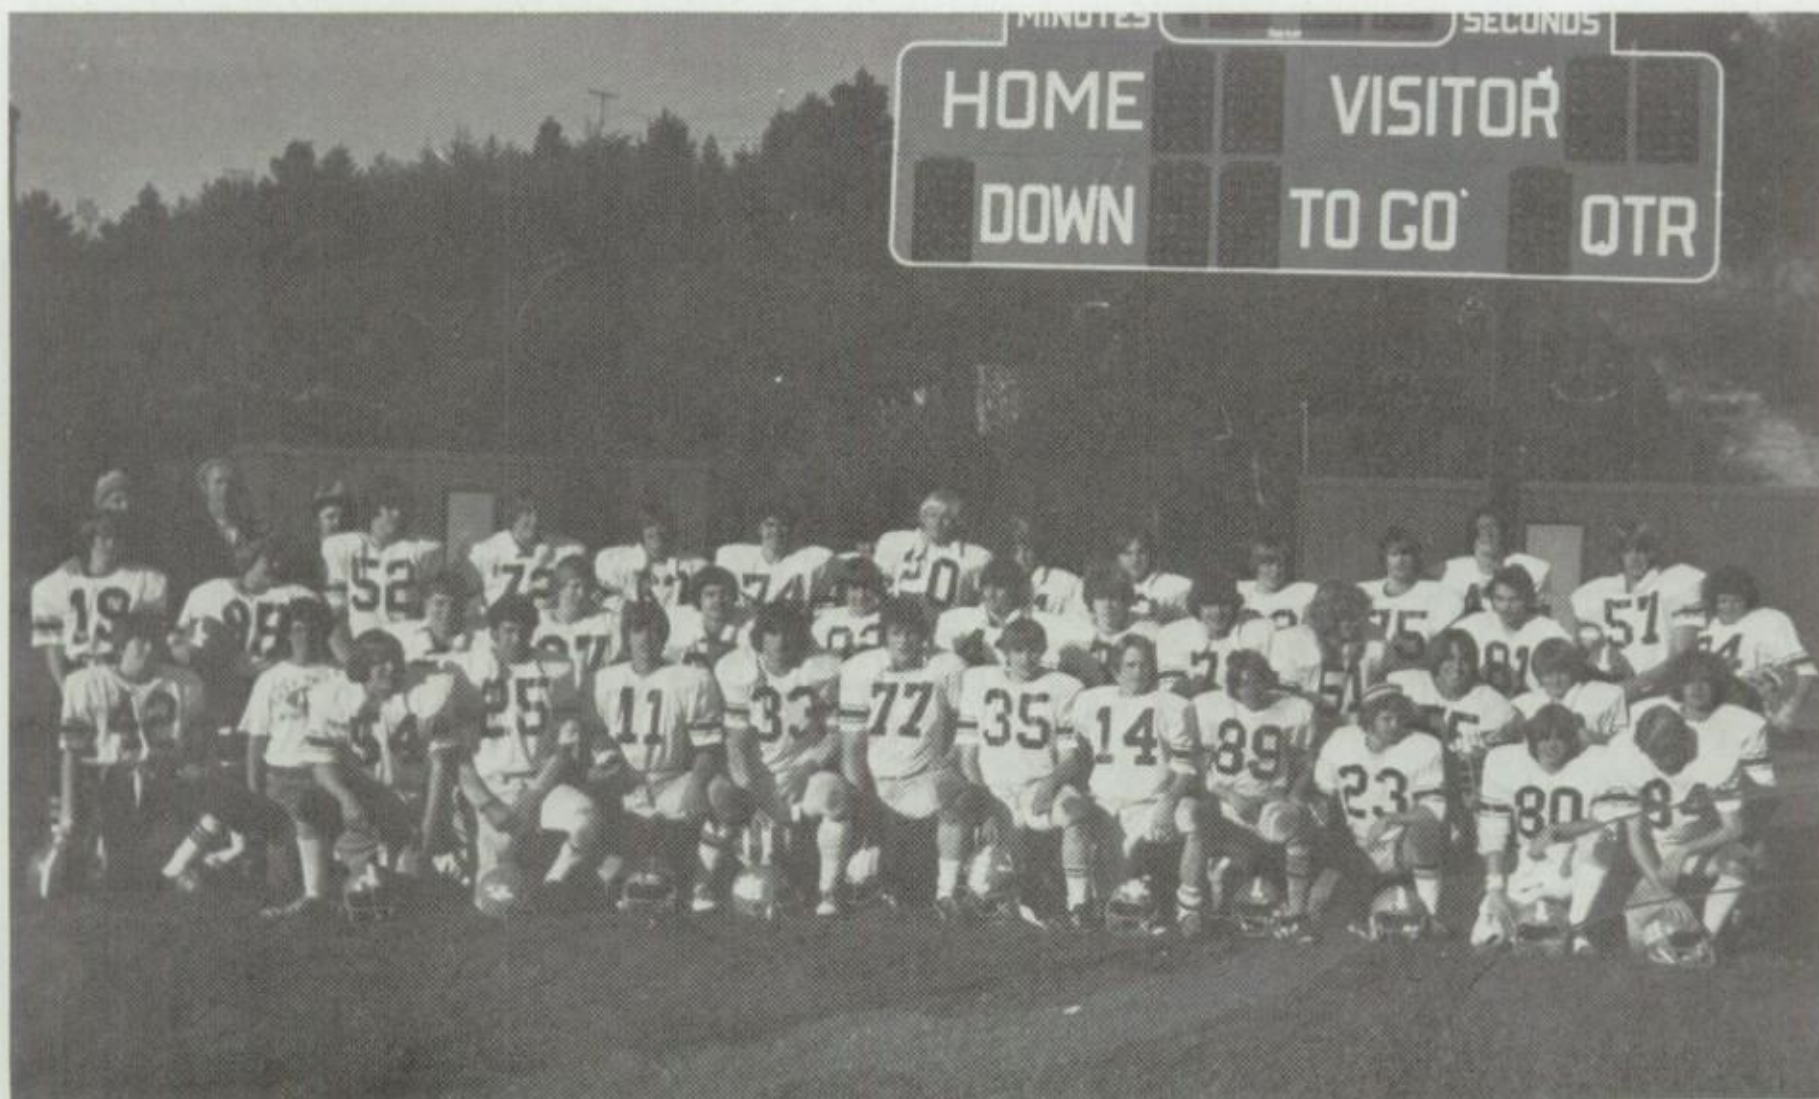

Much is due to the changes in attitude and the leadership of the senior players.

The team lived up to three aspects which are important in any field, and those are the three D's-Desire-Dedication-Determination

Careers

Protective Service Occupations The Art Of Working

Protective Service Occupation students had a good year. They worked hard at learning about our protective services, be it fire or law enforcement.

Everyone involved is very thankful to the Lincoln City Police Department, Taft-Nelscott Fire Department and the Depoe Bay Fire Department for their cooperation and use of their facilities.

The purpose of this class is to acquaint the student with the different career opportunities. This is done by relating the different clusters with the different types of jobs, which in this case deal with the working of office machinery and different techniques. The typewriter, mimeograph, checkwriter, dictaphone, court-recorder, and shorthand are some of the techniques and machinery that are taught to be used.

The rally was: Dean Swope, Steve Messer, Kris Siebel, & Kris Olsen. The Juniors came out ahead 8-0, but everyone had a great time.

WINTER

G A A V a r s i t y

Taft High Girls' Varsity Basketball this year went to the state playoffs! In state we lost the first game to Cascade 31-36. We won the second game 54-40 against Nestucca and lost a disappointing game to Tillamook 49-52. In the season we won the league trophy but lost the seeding game to Newport. 4 people made league honors, 1st. Team Allica Hoss at guard and Joelle Quesinberry at center, 2nd. Team Linda Guerts and Honorable Mention CiCi Taylor.

The league record was 13-1; the team averaged 47.2 points while opponents averaged 35.8 points a game.

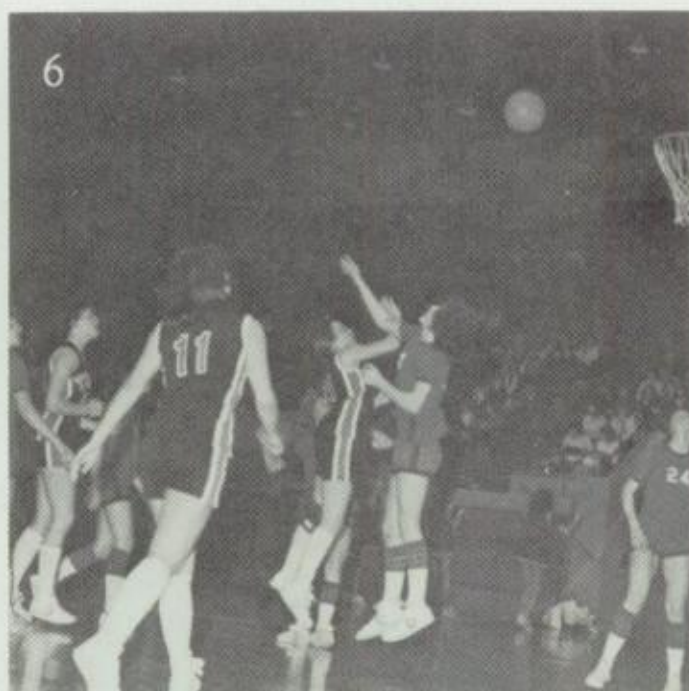

When asked about the playoffs, Mr. Zinc said "Our girls have never been in the playoffs before. And it was great to have so much support from the school and the community. The goal of next year's season is to return to the state playoff and win another league trophy."

The Taft High Tigers began the 1978-79 basketball season with a new coach and only three seniors.

The Tigers worked hard and surprised many people. The highlight of the year was the team's play-off game, with rival Toledo, for a state tournament berth. Taft lost the game, but nobody will ever forget the effort put out by the team this season. Teamwork, good passing and discipline characterized the 1978-79 Tiger's outstanding performance. The conclusion of the season found three players named to the Valco League All Stars. KrisOlsen was named to the Valco League second team. Kris Seibel and Tracey Ehrenfelt received honorable mention by the voting league coaches.

J.V. Basketball

The boy's J.V. basketball program got off to a good start. They started the season with a new coach and several new players. The Tigers worked hard throughout the whole season. Every player played to his full potential. They really played some exciting games. Norman Hundtoff was by far the tallest member of the team. He really helped the Tigers out with his height. We were very fortunate to have him as one of our Tigers. Everyone is looking forward to next season for an exciting and prosperous year.

Good Luck Tigers!

Frosh Basketball

The Freshman team started the season off with a new coach and some new strategy. This young group of men worked hard throughout the season. They were very energetic, and they let other Frosh teams from other schools just who was number one. All the players showed great execution, and this being their first year at it, they really suprised many people. The outlook of this last season was something to be considered. The outcome of the future here at Taft for Freshman basketball look even greater. They all did a heck-of-a-job. Congradulations!

The year of '79 brought us new trends at Taft High. An over abundance of T-shirts roamed the halls and all the "in" feet wore Adidas or Nike tennis shoes.

Mr. Mehlhoff became the notorious Man from Yam (Yamhill) which started a political uprising of Yammunists. Devoted followers were forever thinking of new propaganda tactics to entrap new recruits.

Frisbees made yet another comeback, and disco remained high on the charts. All in all another terrific year.

We were proud of Rick Hatton making All State and I was very pleased with the improvement all the boys made this year. We are looking forward to next year, since they whole team will be returning." -Jim Sullivan; coach
Despite an inexperienced team and

inclinant weather throughout the season, the Taft girl's golf program had shown much improvement throughout the season. Every girl progressed well during this spring sport and as a team improved 79 strokes over a 6 week season. The team totalled a 3-6 mark for the season and placed 7th in the district meet at Santiam. Vonnie Voris fired a 56 for Taft's low score of the year and Alica Hoss & Sheryl Hubert showed the best season average with a 64.

An annual survey in New York recently revealed that while more than two million people visited Yankee Stadium, a full 3.5 million attended cultural events at Lincoln Center. Similarly in Washington D.C. a total of 1.4 million ticket buyers passed the turnstiles at RFK Stadium. That same year, 1.8 million people attended the National Gallery of Art. And a 1975 survey of 137 non-profit (non-commercial) live theaters in the United States showed total attendance of 10.7 million, greater than the combined populations of Washington, Milwaukee, and San Francisco.

Senior Wills

I, Brenda (The Pres) Byington, being of extraterrestrial mind and wasted body, Do hereby leave my prize parking spot to Barbie Brunke. My ability to avoid Mr. Baird to Kinky, and to the rock people, all my love.

I, Alexander King, (Zan Carson), being of sound mind and body, hereby leave my organized and superior skateboarding talents to the following: Tom Davis, Brett Corbett, Donny Davis, and last but not least, Brady Carson.

I, JoAnn Monroe, being of perfect mind and almost perfect body, leave my acne problem to Alison Kiefer, and to Lisa Cline, I leave my blood-shot eyes and crooked teeth.

I, Kevin Mark Babb Blur, being an average mind and a one woman body, leave all my H.P. to Brian Price. I leave my golden arm to Jeff Robbin, because I like his style. But most of all I leave my one woman body and all my love to Linda.

I, Julie Desaro, being of crazy mind and extra short body, will my Filipino blood to Tom Kirven, so he can get a tan. To my big little brother Jeff, I leave all my love and ability to get good grades, and still be a hood. To Mrs. Taylor, lots of laughs, tears, and a million thank-you's. Last, but not least, I leave a lot of good times, secrets, and love to three "Wild and Crazy Gals", Tina, Gayla and CiCi.

I, Jon Monroe, being of sound body and mind, leave my dirty socks to Mr. Zink, my surfing pictures to the annual, my zits to Bill Dippolito, and my charm to who needs it most, Mr. Baird.

I, CiCi Taylor, being of the Indian Race, will the following: my sportsmanship to Joelle Quesinberry, my athletic abilities to Mr. Zink's basketball team next year, my ability to not get sick after drinking to Therese Krieger, and last but not least, my appreciation to Mr. Sullivan for helping me when I needed it.

I, Dennis Hunt, being of a sound body and somewhat intellectual mind, leave my one book for the year to be burnt personally by the senior class of 1979 at the senior keg. I would like to leave all my cheap jeep problems and four-wheeling abilities to Todd Morrow. He is the only one who could afford it.

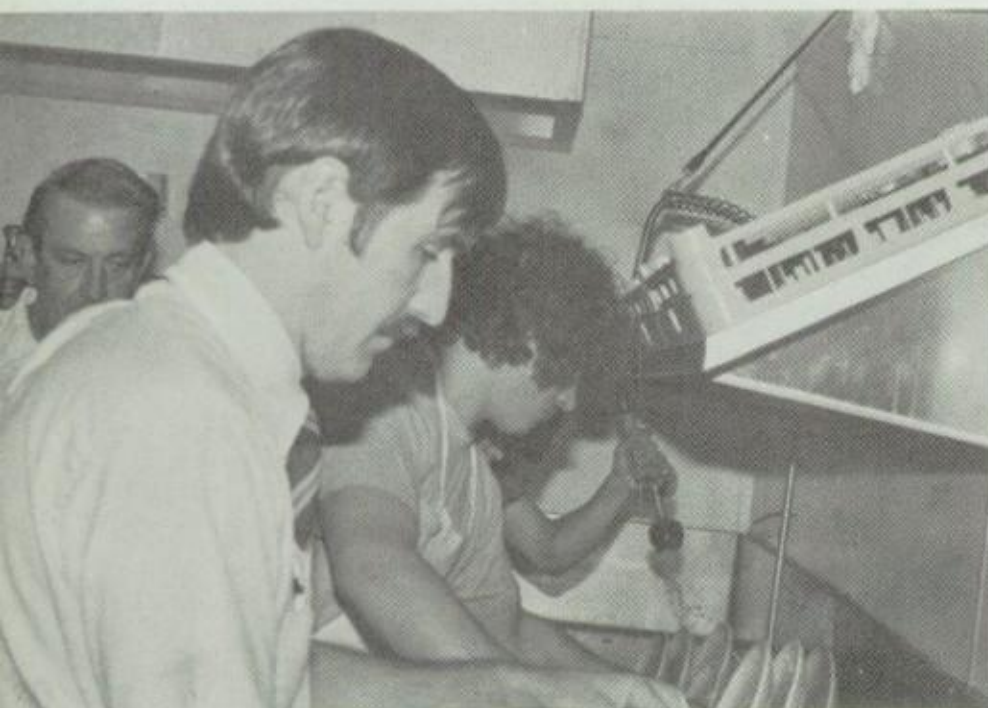

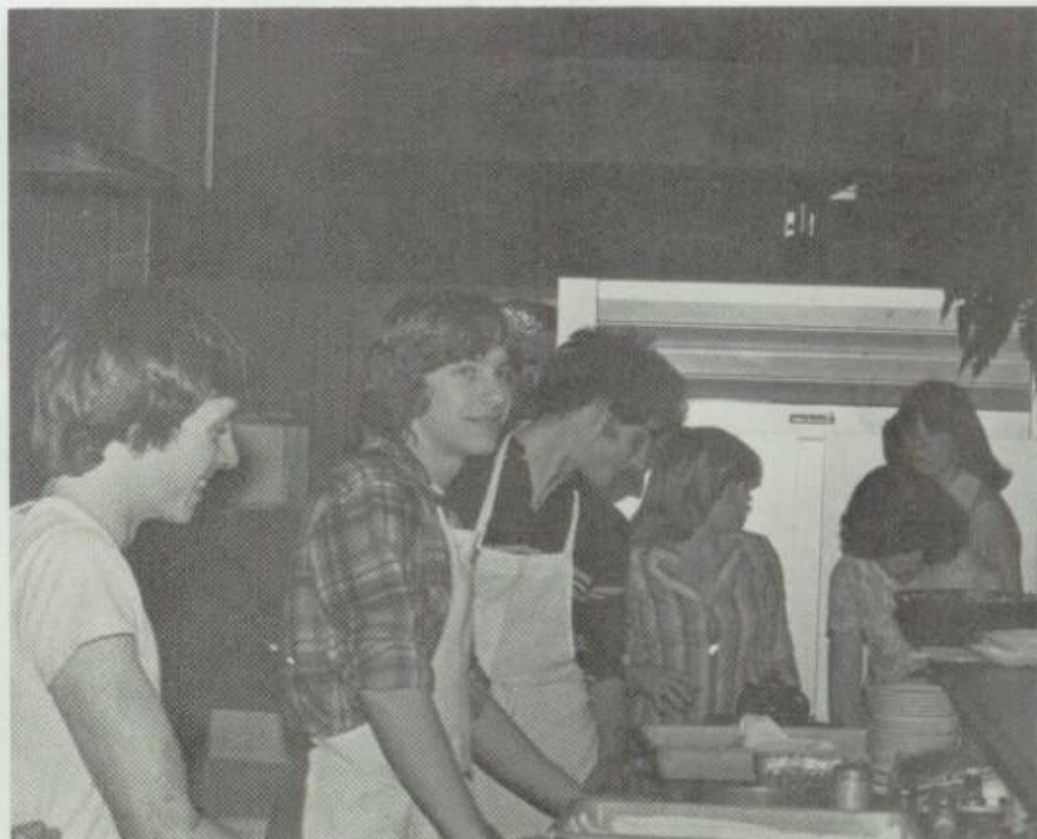

I, Gayla Russell, Being of narrow mind and short body, will to my little sister Shawna my ability to go out with just enough guys to stay single, dumb, and happy. To Kerry Biddle I will my ability to put up with everything... and graduate.

I, Marta Herrmann, being of wasted mind and touchless body, hereby will all my skipping ability to Marilyn Fidler, and to graduate too! Also I will to the underclassman my secret stash at Doc's pond. And to Mr. Hull I leave the memories of a fantastic 6th period Senior English class.
